Headphones

It is very important that each student bring his or her own set of headphones for the school year. The students will keep the headphones in their desk in a labeled Ziploc bag. We ask that these do not go back and forth between school and home. If you would like to provide a case, please do so. Students will use headphones daily in the classroom so it is very important your child has them at the beginning of the school year. Broken headphones will need to be replaced and your child's teacher will contact you if this occurs.
