

Supply List 2021-2022

In 1st Grade, your child will be engaged in many hands on experiences throughout the school year. We use a lot of materials that are difficult to keep in stock. As you know, supplies are expensive so we like to buy in bulk. By buying in bulk, we do not have to pay sales tax so we are able to purchase more supplies. For this reason, there will be a \$40 supply fee. With this we will purchase the materials necessary for the school year.
